

FREE Proficient Pilot Seminar - Checkride Success!

Mr. Ehrman will be discussing what to expect for your pilot checkride. This includes the overall process of the exam and recent changes to the testing procedures. He'll also provide tips on what to avoid and how to best prepare yourself so you can prove to your examiner that you deserve to be a pilot! Feel free to prepare questions to ask during the presentation. So, grab a friend or family member and come join the fun here at the airport as we learn more about becoming and staying safe pilots. As a bonus, expect to enjoy the camaraderie of our aviation community and fill up on some good pizza!

Directions: Sweet Aviation invites you to join us for this free safety seminar right here in the main terminal building at the Smith Field Airport in Fort Wayne, Indiana.
